An abstract artwork featuring a complex composition of layered colors and textures. The background is a dark, mottled grey-green. Overlaid on this are various elements: a large, textured blue shape in the upper left; a bright, textured white shape in the upper center; a large, textured purple shape in the lower center; and a vibrant, textured red shape on the right side. The overall effect is one of depth and movement, with the different layers appearing to be torn or layered on top of each other.
